

I AM RWN

CORE PHP REGULAR

| LEC. | TOPIC | DATE | DAY | FEEDBACK | STUDENT SIGN. | FACULTY SIGN. |
|------|---|------|-----|--|---------------|---------------|
| 1 | Intro to PHP Language <input type="checkbox"/> History <input type="checkbox"/> Importance of PHP <input type="checkbox"/> PHP-MySQL Server (XAMPP) | | 1 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 2 | Fundamentals of PHP <input type="checkbox"/> DataTypes <input type="checkbox"/> Variable & Constant <input type="checkbox"/> Operators | | 4 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 3 | Control Structure <input type="checkbox"/> if statement <input type="checkbox"/> ladder if <input type="checkbox"/> switch case <input type="checkbox"/> if ... else <input type="checkbox"/> nested if <input type="checkbox"/> ternary operator | | 5 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 4 | Branching & Function (UDF) <input type="checkbox"/> while & do ... while loop <input type="checkbox"/> for & nested for loop <input type="checkbox"/> Function & ypes | | 7 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 5 | Array, String, Date & Time Functions <input type="checkbox"/> Types of Array <input type="checkbox"/> String Functions <input type="checkbox"/> Date & Time Functions | | 7 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 6 | DataBase Concept with SQL <input type="checkbox"/> phpmyadmin <input type="checkbox"/> SQL Queries <input type="checkbox"/> CRUD Operation | | 3 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 7 | Forms & OOPs Concept <input type="checkbox"/> HTML Forms with PHP <input type="checkbox"/> Superglobals & DB Connectivity <input type="checkbox"/> Intro to OOPs | | 12 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 8 | Admin Panel <input type="checkbox"/> Convert HTML file into PHP <input type="checkbox"/> include() & require() <input type="checkbox"/> CRUD Operation | | 7 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 9 | Working with Files & Directories <input type="checkbox"/> File Handling <input type="checkbox"/> File Operations <input type="checkbox"/> Directory Functions | | 5 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 10 | State Management <input type="checkbox"/> Server Side (With Sessions) <input type="checkbox"/> Client Side (With Cookies) <input type="checkbox"/> Login & Logout | | 4 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 11 | Intro to JS/JQuery with Client Side Validation <input type="checkbox"/> JS & JQuery Fundamentals <input type="checkbox"/> Form Validation with JSJQuery | | 7 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 12 | Server Side Validation <input type="checkbox"/> Form Validation with PHP | | 2 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 13 | Intro to AJAX <input type="checkbox"/> AJAX with DataBase <input type="checkbox"/> CRUD with AJAX <input type="checkbox"/> Live Search | | 10 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
| 14 | Final Project <input type="checkbox"/> Blog WebSite <input type="checkbox"/> Mailing Feature <input type="checkbox"/> Multiple Login | | 16 | <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> | | |
