

I AM RWN

REGULAR C#.NET

LEC.	TOPIC	P/A	DATE	DAY	FEEDBACK	STUDENT SIGN.	FACULTY SIGN.
1	Introduction to .NET framework, c# and ASP.NET <input type="checkbox"/> .net framework <input type="checkbox"/> CLR <input type="checkbox"/> Class library <input type="checkbox"/> Program structure <input type="checkbox"/> Page class <input type="checkbox"/> Ms Visual studio .IDE			3	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
2	c# programming language <input type="checkbox"/> Variable, data types, type conversion functions , operatoroperator type <input type="checkbox"/> Decision structures <input type="checkbox"/> Loops statements <input type="checkbox"/> Procedures <input type="checkbox"/> function			6	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
3	Object Oriented programming <input type="checkbox"/> classes, member function, member variable <input type="checkbox"/> Access Specifiers <input type="checkbox"/> keywords: Me , MyBase and MyClass <input type="checkbox"/> Interface &; <input type="checkbox"/> Abstraction, Encapsulation &; Polymorphism			7	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
4	Designing Using Interface <input type="checkbox"/> Forms <input type="checkbox"/> Timer <input type="checkbox"/> Treeview <input type="checkbox"/> Windows form controls <input type="checkbox"/> Dialog control <input type="checkbox"/> Toolbar <input type="checkbox"/> .Menu <input type="checkbox"/> Textbox,rich textbox <input type="checkbox"/> SDI &; MDI froms			11	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
5	Asp.net and web development concepts <input type="checkbox"/> Web server <input type="checkbox"/> Asp.net page life cycle <input type="checkbox"/> Events <input type="checkbox"/> Page directive			6	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
6	Controls in asp.net <input type="checkbox"/> Standard asp.net controls <input type="checkbox"/> CLR <input type="checkbox"/> Navigation controls <input type="checkbox"/> User control <input type="checkbox"/> Events,postback <input type="checkbox"/> Master page			10	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
7	web application development &amp;; state management <input type="checkbox"/> State management <input type="checkbox"/> Validation controls <input type="checkbox"/> Navigation controls <input type="checkbox"/> Request-response object <input type="checkbox"/> Web.config <input type="checkbox"/> Machine.config <input type="checkbox"/> Global.asax			7	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
8	ASP.NET Web application with database (Ado.net) <input type="checkbox"/> ADO.NET architecture <input type="checkbox"/> Direct data access <input type="checkbox"/> Disconnected data access <input type="checkbox"/> connection object <input type="checkbox"/> command object <input type="checkbox"/> Dataset <input type="checkbox"/> DataReader object , DataAdepter object			12	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
9	Template controls with Data access <input type="checkbox"/> Detail View <input type="checkbox"/> Form view <input type="checkbox"/> Grid view <input type="checkbox"/> Data Repeater control <input type="checkbox"/> LINQ			8	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
10	Introduction of MVC3 <input type="checkbox"/> Model-view-controller <input type="checkbox"/> Mvc vs web forms application <input type="checkbox"/> Simple MVC <input type="checkbox"/> Controller &; <input type="checkbox"/> Crateing MVC models <input type="checkbox"/> Custom data model <input type="checkbox"/> Data validation and data <input type="checkbox"/> MVC views in asp.net <input type="checkbox"/> Html helper & actions filter <input type="checkbox"/> Routing and URLs <input type="checkbox"/> MVC Ajax helpers <input type="checkbox"/> Json data			15	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D		
11	Sample Project			15	<input type="text"/> A <input type="text"/> B <input type="text"/> C <input type="text"/> D
