

I AM RWN

REACT NATI E REGULAR

LEC.	TOPIC	P/A	DATE	DAY	FEEDBACK	STUDENT SIGN.	FACULTY SIGN.
1	Overview <input type="checkbox"/> Platforms & Frameworks <input type="checkbox"/> Hybrid vs Nati e Framework <input type="checkbox"/> HTML/CSS/JS Brush up				<div>A B</div> <div>C D</div>		
2	Introduction o eact Naate <input type="checkbox"/> ES-6 JS Basics <input type="checkbox"/> Tools Install <input type="checkbox"/> React Nati e - First App				<div>A B</div> <div>C D</div>		
3	React Basics <input type="checkbox"/> JSX & Components <input type="checkbox"/> Component Composition <input type="checkbox"/> props & props types <input type="checkbox"/> Event Handlers <input type="checkbox"/> State <input type="checkbox"/> React Web App				<div>A B</div> <div>C D</div>		
4	Understand React Nati e Development <input type="checkbox"/> CRNA <input type="checkbox"/> Creating the Fit App <input type="checkbox"/> Styling the App				<div>A B</div> <div>C D</div>		
5	React Nati e Styling <input type="checkbox"/> Understanding Flex Box <input type="checkbox"/> Inspecting & Debu gging Styles				<div>A B</div> <div>C D</div>		
6	React Nati e Components <input type="checkbox"/> Built-in Components <input type="checkbox"/> Working with Images <input type="checkbox"/> List View & Flat List				<div>A B</div> <div>C D</div>		
7	Advanced React Nati e Components <input type="checkbox"/> Touchable <input type="checkbox"/> Text Input <input type="checkbox"/> Creating Vie s (Scenes)				<div>A B</div> <div>C D</div>		
8	Understanding State Management <input type="checkbox"/> State & State Storage Prob. <input type="checkbox"/> Redux Basics & It's Principles <input type="checkbox"/> Implementing edux				<div>A B</div> <div>C D</div>		
9	Managing State Management <input type="checkbox"/> React-Redux <input type="checkbox"/> Middleware <input type="checkbox"/> Counter App Demo				<div>A B</div> <div>C D</div>		
10	Navigation <input type="checkbox"/> App Scene Navigation <input type="checkbox"/> React Navigation Library <input type="checkbox"/> Navigator Basics				<div>A B</div> <div>C D</div>		
11	Advance Navigation <input type="checkbox"/> Stack Navigator <input type="checkbox"/> Tab Navigator <input type="checkbox"/> Employee Directory App				<div>A B</div> <div>C D</div>		
12	Integrating APIs <input type="checkbox"/> Integrating d ta using API <input type="checkbox"/> NYT Data API <input type="checkbox"/> Wiring up Redux <input type="checkbox"/> Asynchronous requests <input type="checkbox"/> Refactoring code <input type="checkbox"/> NY Times App				<div>A B</div> <div>C D</div>		
13	Preparing for Production <input type="checkbox"/> Running in Physical Device <input type="checkbox"/> Performance <input type="checkbox"/> Testing <input type="checkbox"/> Debugging <input type="checkbox"/> App Store Submission				<div>A B</div> <div>C D</div>		
14	Course Review <input type="checkbox"/> Solving Issues <input type="checkbox"/> Getting Help				<div>A B</div> <div>C D</div>
